The Vegas Valley Track Club cannot achieve its goals and objectives without the help and support of both its athletes and their parents. We are aiming to provide high school athletes with an experience that is very different from other clubs, in that our ultimate goal is to provide a clearer pathway to college. We aim to assist our athletes in receiving the recognition and exposure that they deserve. Your monetary support is much needed and appreciated as much as your volunteer time. If you are able to support our Club in any way, please let us know.
